

**TIBETAN TERRIER CLUB OF AMERICA, INC.**  
**RESCUE PROGRAM GENERAL FOSTER HOME AGREEMENT**

IT IS AGREED:

1. The foster family acknowledges the purposes and aims of the rescue program and recognizes the reasonable interest in assuring the proper and humane treatment of rescue Tibetan Terriers during temporary placement with the foster family. The foster family represents that no member of the family has been charged with cruelty to animals and agrees to accept the following conditions and restrictions in order to be eligible to provide a foster home for rescue Tibetan Terriers.
2. The foster home will keep the rescue Tibetan Terrier indoors or in a kennel run. It will not be tied to a doghouse or to a chain.
3. The foster family will provide the rescue Tibetan Terrier with an adequately fenced yard and/or will walk the dog on a leash daily. At no time will any rescue Tibetan Terrier be allowed to run loose while unattended.
4. The foster family, when away from home for over a 24 hour period, will advise the rescue coordinator so that alternative arrangements can be made for the Tibetan Terrier.
5. The foster family acknowledges that their residence, if rented, permits pets pursuant to the lease, or by special permission of the landlord or resident manager.
6. The rescue Tibetan Terrier will never be attack or guard trained or used as a property guard dog. Further, this dog will not be used in any aspect of dog/animal fighting.
7. The foster family will provide said rescue Tibetan Terrier with all the care and attention necessary to ensure its health and well being. This will include providing sufficient food, water, exercise, competent veterinary care, annual vaccinations, deworming, prompt veterinary care in the event of illness or injury and heartworm preventative. The foster family will give the rescue coordinator receipts for all medical expenses and will maintain the expense log for any rescue dogs in their care.
8. The rescue Tibetan Terrier will not be abused in any manner. The rescue Tibetan Terrier will not be beaten or otherwise be treated cruelly, and will not be the subject of, or subjected to any biological, chemical, psychological or other experiment.
9. In the event the rescue Tibetan Terrier is lost or stolen, the foster family will contact the rescue coordinator immediately, advertise in major local newspapers and make all reasonable attempts to locate the animal.
10. The foster family shall not give, lease, or otherwise transfer custody of the rescue Tibetan Terrier to any other person, or to any business or organization, except to return the dog to the rescue program.
11. The foster family will promptly notify the rescue coordinator of all and any changes in residence, mailing address and/or telephone number.
12. The foster family will notify the rescue coordinator immediately of the rescue Tibetan Terrier's death and/or serious illness.
13. The foster family must notify the rescue coordinator within 12 hours of any bite inflicted on a human or another animal not owned by the foster family by the rescue Tibetan Terrier.

14. The foster family recognizes the need to ensure that the rescue Tibetan Terrier is receiving proper and humane care and agrees to allow inspection of the foster family's home and the conditions in which the rescue Tibetan Terrier is living, at any reasonable time, by a representative of the rescue program.
15. The foster family agrees to immediately surrender custody of the rescue Tibetan Terrier to a rescue representative upon demand. The foster family agrees that the foster family has no legal ownership and will not obtain any legal rights to the rescue Tibetan Terrier in their care.
16. Should it be necessary to litigate in connection with any dispute concerning the care, treatment and/or custody of a rescue animal directly under the care of the foster home, the foster family agrees to pay all court costs and reasonable attorney fees.
17. The foster family recognizes that although the rescue program has made reasonable efforts to provide a rescue Tibetan Terrier which is compatible with the foster family's environment, the foster family agrees that the rescue program does not warrant the temperament or behavior of the rescue Tibetan Terrier while living with the foster family. The foster family agrees to notify the rescue coordinator immediately if the foster family believes the temperament or behavior of the rescue Tibetan Terrier is incompatible with the foster home environment.
18. The foster family states that they have reasonable knowledge about the proper care of dogs and more specifically, Tibetan Terriers. The foster family agrees to be responsible for the proper supervision of the rescue dog in their possession. Should the rescue program suffer any damages or legal costs as a result of the negligent supervision of the rescue dog in the foster family's care, the foster family agrees to indemnify the rescue program for all such damages and costs.
19. The foster family acknowledges that the purpose of the rescue program in establishing the conditions in this Agreement is to safeguard the health and well-being of the rescue Tibetan Terrier, to protect the rescue Tibetan Terrier against neglect, abuse and cruelty, and to temporarily house a rescue Tibetan Terrier until a permanent home is found.

The foster family enters into this Agreement freely and with knowledge.
