President’s Message
June, 2015

Another very successful National Week is now done and to Joyce Lak and her crew: well done!! This is the first time TTCA has done back-to-back Specialties and to pull it off in this fashion is extraordinary. There was a memorable Top 20, educational seminars, camaraderie, social gatherings, Performance and Conformance venues, auction for next year’s Delaware Specialties, Annual and Board Meetings and on and on. In short, something for everyone. For those who attended, I hope you take back some good memories. For those who missed it, start making plans for next year. It will also be memorable. For those who participated in the performance/conformance events and came away with placements: Congratulations!

At the annual meeting I had the honor to award two people who have contributed much to our club and the breed. The first award was The AKC Good Sportsmanship Award and that went to Mr. Gary Carr with his good friend, Gale Mattison, making the presentation. If you have been involved in Tibetan Terriers, you know Gary. He is an icon in our breed having been deeply involved since the mid 1970’s as a Breeder, Exhibitor, Judge, Officer, AKC Delegate, Director, Author, Illustrator and the list goes on. The second award of the night, The President’s Award, went to Ms. Sandy White. Besides being active in the Performance part of showing, Sandy is one of the behind the scenes people that make our club successful. Her professional career was in IT and web design and she uses these skills to help us every day. She maintains the TTCA website, updates it and redesigns it so that it is one of the best dog sites in AKC. She is always responsive whenever her help is needed. Sandy also...

handles all the ads and photos for the Journal and National Show Publications. I felt honored to give this recognition to one so deserving.

Starting with this issue of the Newsletter, we will be including the AKC on-line Gazette articles of Andrea Reiman. Andrea is an outstanding writer with a knack for stating ideas succinctly and with clarity. In this issue is the March 2015 article The Essential Double Coat. It addresses an issue that all of today’s breeders of Tibetan Terriers should take to heart.

Thank you and congrats go out to Vicki Hawkins as the new Chair of the Membership Committee and to Caryl Crouse as the Nominating Committee Chair. Also needed are Chairs for the Legislative, Awards, Historian/Archivist, and Health and Genetics Committees. The Health and Genetics Committee is vital for the wellbeing of our breed. Stacey LaForge has done a tremendous job chairing this committee and will continue doing the research part. What we now need is someone to handle the administrative and management aspects of this committee. It is not an easy task, but if you take it on, know that you can and will be making a significant contribution to the health of present and future Tibetan Terriers. Please give it your consideration. If you are interested, contact me, Stacey, or any Board member.

Our 2017 Specialty will be at Peek n’ Peak Resort and Spa. Peek n’ Peak is in Western New York about 22 miles from Erie, Pa. This is a terrific venue and the area offers much to do when you are not showing your dog. Our Specialty Judge for confirmation is Ms. Susan Carr. Stay tuned for additional information.

While we are on the subject of the Specialty, the Board is looking for members with expertise on different aspects of putting on shows. They are trying to put together a “how to book”. Betsy Richards is heading this up. I know we have many members who have put on All Breed shows and Specialties. If you have this knowledge, contact her and volunteer to help. A successful outcome here can help assure that we continue to put on Specialties each year.

One last item. Please review the personal data you have on record with TTCA. We find quite frequently that mailing addresses, phone #s and email addresses are out of date.

Here’s hoping everyone has a safe summer and many opportunities to enjoy romps with your TTs.

Ron Pankiewicz

Delegate’s Report
Stacey La Forge

The Delegates Meeting was held June 7-8, 2015 in Newark, NJ.

The Certificate of Merit (CM) program was a hot topic at the committee meetings. There is a proposal being considered that would (among other things) expand the CM from just the 4-6 puppy to include puppies up until a year. Points towards a CM could be attained by winning in 4-6 beginner puppy classes, or by winning first place in a regular puppy class. If the puppy achieved the CM, it was proposed that they could get one championship point. There was significant opposition to the idea of giving a championship point for completion of the CM. There was also concern the proposed CM point schedule didn’t appear to require a dog to beat anyone to attain CM points. The proposal was read at the official Delegates Meeting, which theoretically means we will be voting on it at the next meeting.

There were a number of other topics of note from the committee meetings. CGC continues to have increased participation. This trend is likely to continue as AKC has made additional enhancements to the CGC program by adding Urban Canine Good Citizen title. (http://www.akc.org/news/akc-urban-canine-good-citizen/).

The first Pee Wee special attraction (for very young handlers) was held at the Puyallup shows and Somerset Hills Kennel Club will be holding Pee Wee classes at their show in the fall.

The AKC website continues to be a topic of discussion and debate. Chris Walker has resigned from AKC, and it seemed unclear to me what this signifies for the future direction of AKC’s IT and such programs as the Marketplace (where Clubs could pay to have a website through the AKC site).

In the Parent Club committee meeting, it was discussed that the AKC Classified Ads should be further broken down as to whether the advertiser is: a Breeder of Merit for the breed advertised, a Breeder of Merit for another breed, a Parent Club member, a Member of any AKC club, or other.

The Bred with Heart Program (http://www.akc.org/dog-breeders/bred-with-heart/) focuses on Health Testing, continuing Breeder Education, and accountability/inspections. There is concern amongst the Delegates that the public will be confused between the Bred with Heart and Breeder of Merit programs.

The AKC Reunite Disaster Trailer Project is still going strong with close to $1 million raised, 24 Trailers on the ground, 11 being produced, and a bunch more working on getting funds/paperwork together.

At the official Delegates Meeting, the Chairman’s Report included information the financial impacts that AKC events have in a local community. The information was based on a survey, and will be published so that Clubs can use it with local legislators, etc.

Special recognition (and a replica of the Stanley Cup!) was given to Mike Liosis in honor of his 45 years with AKC.

The Financial report showed a 1% decrease in litter registrations and a 1% increase in dog registrations. Revenues are up and expenses are down.

A vote was regarding Chapter 2, Sections 1 through 16, of the Rules Applying to Dog Shows. The vote was split into two; a vote on Section 3 dealing with territories and a vote on changes to the other sections. The vote on changes to the other sections, which were some “housekeeping changes” and brought the Rule into accord with current procedure passed. Section 3, on the other hand, was sent back to committee for further review.

The next meeting will be in September in Newark.
The Essential Double Coat
Andrea Reiman

Dr. A.R.H. (Nancy) Greig, the English surgeon given a Tibetan Terrier in 1922 while practicing in India, and subsequently the first to establish the breed in the Western world, made an interesting statement in 1970. She wrote, “Nature does not produce and retain any physical specialty as a joke, but because it is essential to the well-being and life of members of the breed.” (The Tibetan Terrier Book: Second Edition, Jane Reif, Southfarm Press, January 1996).

It is a compelling statement because it raises an important follow-up question. What happens when the Tibetan Terrier is removed from the distinct, natural geographic area it evolved? Will the nature that produced these “physical specialties” essential for its survival in one part of the world be dismissed or misunderstood by modern enthusiasts of the breed in very different parts of the world? In other words, when a breed is taken out of its original habitat, will the very characteristics that made it desirable to worldwide TT lovers seem out of context? Perhaps there is no better breed trait that illustrates the tension between preservationist and modernist leanings in the 21st century than the essential double coat of the Tibetan Terrier. While an obvious advantage when hiking in the rugged highlands of Tibet with biting, harsh winds, pelting sleet, and frigid cold, such a coat may now be experienced as an inconvenient, antiquated trait in the climate controlled habitats of urban life. Let’s face it, most contemporary dog owners spend more time sitting in front of an electronic device in a temperature controlled dwelling with their TT couch companion than trekking in the great outdoors. It is the fortunate TT indeed that gets even a few hikes a year in the kind of terrain they originated and innately enjoy. So why care about a double coat that’s rarely put to the test in 2015?

The double coat insulates against severe cold and heat. It protects from moisture. It takes some time when washing a TT for bathwater to penetrate the coat. Its thickness shields from dense briars, thorns and bramble type vegetation, and even from bites of other animals. The double coat consists of an outer coat of long, fine hair with a continuum of textures comparable to human hair. Between the long hairs of the outer coat is the shorter and lighter-colored, soft, dense, wooly undercoat. The density of the undercoat will vary according to the seasons and the overall climate where the TT resides, but also is influenced by the age, lineage, texture, and color of the coat.

The undercoat is an “at risk” feature of the modern TT because it requires grooming. The undercoat mats next to the skin and requires regular sessions (daily, weekly, or monthly depending on the TT coat) to brush out. If done frequently it can be enjoyable, relaxing time together. Alas, the pace of modern life seems to limit time for such tranquil pastimes. Most TTs in pet homes are cut down. Many show TTs have their undercoats thinned, stripped out completely, or worse, it has been bred out of their lineage. Coats look sleeker without an undercoat, often over-conditioned, sculpted, and ironed. The double coated TT may be at a disadvantage when competing in a show ring. He looks more naturally rugged and less glamorous than the single coated exhibit.

A double coat is one of the 4 essentials of the breed, along with placement of the eye, flat feet, and distinct gait. When evaluating or judging a TT it is crucial to check for a double coat. Part the coat mid-body as if rolling back two sides to a curtain. The lighter, softer undercoat laying in between and more profusely just under the topcoat should be visible. If a TT specimen lacks even one essential breed characteristic, while it may be a lovely dog, it is lacking in the qualities that define the breed.

Will future breeders and judges see essential characteristics as something to be revered and worth preserving? Gauging the number of exuberant double-coated TT action pics taken in snow and cold this winter on social media, it appears there remains considerable admiration for the attributes of the double coat!
The Tibetan Terrier Club of America
Annual Meeting
May 22, 2015

The meeting was called to order by President Ron Pankiewicz at 8:30 P.M. The reading of the previous TTCA Annual Meeting were dispensed with.

Joyce Lak, the 2015 National Specialty Chair was introduced. She thanked her hardworking committee members and then thanked everyone for coming to Boxborough. Gale Mattison presented Joyce with a thank-you gift for all of her hard work on a very successful Nationals.

Stacey LaForge talked briefly about the TTCA Health Survey which is compiled every 5 years. The survey is used to detect health trends noting any declines or increases in the prevalence of various diseases in the Tibetan Terrier. The health survey is available on the OFA website. Everyone is encourage to participate. A donor has promised to donate $1.00 for every health survey that surpasses the total number of surveys completed and turned in in 2008.

Ron Pankiewicz announced that the Chair of the Health and Genetics Committee would like to retire and we need someone to step forward and accept the Chair.

Joyce Killinger presented a brief summary for the Futurity Committee as Claire Copolla had had to leave. The Alice Murphy Trophy will be retired in 2016, which is the 25th anniversary of Futurity. She urged breeders to register their litters for Futurity.

Ron Pankiewicz read into the minutes the following:

“The AKC’s Management Disciplinary Committee has suspended the following individuals from all AKC privileges for ten years and imposed a $2,000 fine for conduct prejudicial to purebred dogs, purebred dog events, or to the best interests of the American Kennel Club based on their violation of the AKC’s Judicial or Administrative Determination of Inappropriate Treatment Policy, effective February 6, 2015 for Ms Sheryl Rutledge Schultis.” Ron pointed out that the TTCA Constitution states that if a TTCA member is suspended by AKC, they are automatically also suspended from TTCA for a like term (ten years) and must re-apply to TTCA after the suspension if they desire to once again become a member. This suspension is automatic and the board had to take no further action on the matter.

Janet Slothower announced that TTCA has 435 members and that the membership numbers are stable. There was the required quorum of members present for the meeting.

Gale Mattison presented the Treasurer's report. Most of the expenditures go to support Rescue operations. The Health and Welfare Foundation supports rescue. The National Specialties break even or make a small profit financially. The auction held last night, which supports the 2016 National Specialty did well.

Dues collected by the TTCA are spent to compile and publish the yearly Journal and the TTCA Newsletter.

TTCA has a bank balance of $85,000.

Stacey updated the membership on TTCA’s part in the AKC disaster relief trailers program. TTCA has raised $4,000 which was donated to the program. Three trailers currently carry the TTCA name and logo. The Rocky Mountain TT Club also has contributed in their name and has their name on a trailer in Wyoming.

The trailers provide AKC, as well as pure bred dog owners with good public relations. The trailers show AKC and pure bred dog owners as being concerned about all pets.

The Health and Genetics Committee is in need of a new chairman and volunteers.

Flossie Barczweski and Lynne Fardell passed out information booklets pertaining to the 2016 National Specialty in Delaware. The show will be held outdoors, with the agility, obedience and rally events held at a different site.

The hotel is beautiful. A junior suite will rent for $139 per night and a regular suite will be $159. Show events will be 20 minutes from the hotel. Renee Stamm will be handling trophies for the show.

The 2017 National Specialty will be held in Clymer, New York. at Peek’n Peak a ski resort. The conformation judge will be Susan Carr. The New Castle Shows are being held the weekend prior to our National specialty and the Dunkirk the weekend following.

The Board and Committee are open to suggestions for a location for the 2018 National Specialty.

Gale Mattison presented the “Good Sportsmanship” award to Gary Carr. Gary has been involved with TT’s for 40 years. He has contributed art work including the drawings in the breed standard booklet and on awards. Gary has had other dog breeds, the scottie and whippet. He has a bachelors degree from Michigan State University. He was an AF flyer. Gale counts him as a personal friend who encouraged him to show TT’s. The
following year with Gary’s encouragement, Gale showed his dog and took Best of Breed at Westminster. Gary accepted the award and thanked the club.

Ron Pankiewicz presented the President’s award to Sandy White. This award was initiated in 1994, for the president of the club to honor an untiring volunteer who goes above and beyond what anyone could hope for. Sandy has contributed her expertise creating Specialty logos, keeping the website up to date and designing the pages.

Sandy accepted the award and thanked Ron for the honor.

Ron asked if there was any other business to bring forth. There was none.

Gale Mattison moved to adjourn the meeting.

Lynne Fardell seconded the motion and the motion carried.

Annual Board Meeting
May 11 and 18, 2015  Boxborough, Maryland

The annual meeting of the TTCA board was called to order Sunday the 18th of May, 2015 at 6:31 by President Ron Pankiewicz.
TTCA Board Members present were:
Ron Pankiewicz - President
Betsy Richards - First Vice President Florence Barczewski - Second Vice President
Janet Slothower - Corresponding Secretary
Sharon Hurd - Recording Secretary
Gale Mattison - Treasurer
Stacey LaForge - AKC Delegate
Sheryl Getman - Director
David Murray - Director
Paul Douglass - Director
Robert Smith - Director
Claire Coppola - Director

The meeting began with the introduction of old and new board members. Meeting agendas were distributed. Ron Pankiewicz added two additions to the list: Claire Coppola will talk about Futurity at the annual meeting on Thursday evening. Discussion will be held on making Member Education a formal committee.

Gale Mattison moved to dispense with the reading of the 2014 Annual Meeting minutes. The motion was seconded by Janet Slothower.

Committee Reports

Corresponding Secretary by Janet Slothower:
She has sent all notices received from AKC to the board member handling that particular subject matter. She has sent flowers to deceased members’ families. Greeting cards have been sent to several members who were hospitalized during the year. She requested that committee reports to be sent to her by the end of March. She noted that she had received the last report just prior to the 2015 TTCA annual Meeting.

Discussion of the criteria used to determine who is sent a card or flowers followed. Also discussed was finding an information avenue to notify TTCA that a member was ill or had died. Flowers will be sent to seriously ill members who are in a hospital. Cards will be sent to other known ill members. A motion was made by Sharon Hurd and seconded by Florence Barczewski that Janet Slothower be the TTCA contact person to be notified of a club member’s death or illness. motion carried.

Treasurer’s report by Gale Mattison:
Rescue, the TTCA Yearly Journal and the Newsletters are all paid for with income from club membership dues. Rescue is the greatest club expense. National Specialty expenses are covered by the annual auction held the previous year. Gale is the only person who can authorize additional show expenditures once the show has been organized and hotel expenses paid. (ie extra tables, easels)

Journals, newsletters etc, that can’t be delivered due to an unknown change of contact information for a recipient create a large expense and loss of materials. To try to remedy this loss of money and materials, Ron Pankiewicz will have a note put into the newsletter asking that members please notify TTCA of any changes in their contact information.

AKC Delegates report by Stacey LaForge
Stacey discussed some changes that AKC has been making or is considering: Possible changes in the Judges’ approval process.

Changes in the AKC web-site: Breed standards are no longer found on the site. The site is being set up to be more friendly to pet owners vs breeders. AKC has been getting complaints from those trying to use the site as it evolves.

Bred With Heart is a new program AKC is discussing. This will be similar to the Breeder of Merit program. Bred With Heart would require listed breeders to agree to follow the breed club health guidelines and to comply with state and local laws. As this program initiates breeders’ compliance with the rules will be on the honor system.

The AKC Disaster Relief Trailers. TTCA currently has the club logo on 3 trailers (Wyoming, San Diego City and Maryland). The club currently has $1000 to put towards a 4th trailer. Fran Kridakorn raised the funds to complete this $1,000. TTCA’s goal was to raise $5,000 for this project and to date has raised $4,000. The Board discussed where in the country TTCA would like for the current available $1,000 donation to go. No consensus was reached. To date, AKC has been asked to use the donations where trailers were most needed.

The remaining committee reports were tabled until Monday evening’s continuation of the board meeting.
Flossie and Betsy Richards, Vice Presidents were each given a list of the committees they will be responsible for assisting.

Janet reported that there is no consistency as to when the reports are submitted by committee heads. There was discussion as to whether the reports should be due other than just prior to the National Specialty. Our fiscal year is March 1 through February 29. No decision on a specific date was made.

The committee heads are not currently using the same format to report as some are using old forms and some newer forms. Janet Slothower and Gale Mattison will devise a common format for all committee heads to use.

**Old Business:**

**2017 National Specialty**

The show will be held May 29, 30, 31 and June 1 and 2, 2017.

Sheryl Getman moved to name Betsy Richards as the show chair for 2017. Seconded by Gale Mattison. Motion carried.

Betsy presented an overview of Peek’n Peak located in Clymer, New York as the proposed 2017 show site. The facility is a large ski resort located 90 minutes from Cleveland and 90 minutes from Buffalo.

Discussed holding a TTCA Specialty show each year in conjunction with the National Specialty. Doing this, is financially beneficial to the club.

Due to fewer sites willing to allow TTCA to hold a National Specialty on site, and the difficulty in finding someone to chair the show, there was some discussion of holding shows in cooperation with an all breed show rather than as a totally separate entity.

Gale Mattison moved to hold the 2017 National Specialty in Clymer, New York at Peek’n Peak. Motion was seconded by Stacey LaForge. All present were in favor.

Eileen Bair will be asked to do all embroidery on a continuing basis for National Specialties in the future.

Three basic plans were talked about, One person acting as show chair, naming committees and planning the entire show, having local Tibetan Terrier clubs host the show or changing to the board acting as the show committee. Rotating the National Specialty location between 3 or 4 locations rather than a different locale each year was also discussed.

Gale Mattison proposed that he, Betsy Richards and Flossie Barczewski be the National Specialty Show Committee. Seconded by David Murray. Motion carried.

**NEW BUSINESS**

Jac Herschel was given an Omar pendant by the Rocky Mountain Tibetan terrier Club to be auctioned off with proceeds going to the Health and Welfare Foundation. It was agreed that the pendant could be auctioned off at the annual auction as the first item up for bid and with a starting bid of $150.00.

Ron had the following paragraph read into the minutes:

“The AKC’s Management Disciplinary Committee has suspended the following individuals from all AKC privileges for ten years and imposed a $2,000 fine for conduct prejudicial to purebred dogs, purebred dog events, or to the best interests of the American Kennel Club based on their violation of the AKC’s Judicial or Administrative Determination of Inappropriate Treatment Policy, effective February 6, 2015 for Ms Sheryl Rutledge Schultis.” Ron pointed out that the TTCA Constitution states that if a TTCA member is suspended by AKC, they are automatically also suspended from TTCA for a like term (ten years) and must re-apply to TTCA after the suspension if they desire to once again become a member. This suspension is automatic and the board had to take no further action on the matter.

**TT Health and Welfare Foundation:**

Discussion was held regarding the need to fill two open Board positions on the TTHWF. Gale Mattison made a motion to appoint Jac Herschler and Kerry Abbot to fill these positions. David Murray seconded. Motion carried.

**Good Sportsmanship Award for 2015:**

Nominations were made to select a recipient for the Good Sportsmanship Award for 2015. Janet Slothower nominated Gary Carr. Janet moved and Betsy Richards seconded and the motion passed unanimously for Gary Carr to receive the Good Sportsmanship award for 2015.

**Club Insurance** was discussed due to an activity that was planned, but not a sanctioned part of the National Specialty. Thus our insurance policy would not have covered the event. It is hoped that in the future anyone wanting to add an event of any kind to the National Specialty events, will do so through the show chair and not in conflict with TTCA planned activities.

The meeting was adjourned until 6:30 PM Monday, May 18, 2015.

**AKC Gazette Breed Articles:** chaired by Andrea Reiman During the year 4 columns were published in the Gazette. She is hoping to recruit TTCA members to contribute articles about topics in which they have specific expertise, in order to expand the style and perspective of the breed column. Andrea wishes to remain as chair.

Gale mentioned that he would like to see her articles published in the newsletter as well as the Gazette. Action was taken and TTCA will begin publishing the Gazette articles in the newsletter.
Audit Committee: chaired by JoAnn Gatzen
for the audit year March 1, 2013 - February 29,2014
The audit found “In our opinion, except as noted below (no exceptions noted), the financial statements agree with the accounting records and based upon our tests, appear to be “correct.” JoAnn noted that the TTCA tax return can be found on the IRS web-site under foundationcenter.org.

Awards Committee chaired by Betsy Richards
The committee had no income. $137.96 was spent and reimbursed to cover expenses, covering postage and cost of printing the award certificates. Betsy does not wish to remain as chair of this committee. She will do this job for 2016 but cannot for 2017 as she is National Specialty show chair that year.

Breeder Education chaired by Anette Ohman
Jane Killion was invited to be the guest speaker for the Breeders’ Education portion of the TTCA National Specialty 2015. Anette does not wish to remain as chair of this committee. Gale Mattison moved that Cassandra Basgall be asked to take over the chairmanship of this committee. This was seconded by Robert Smith. (Cassandra Basgall declined the position; Anette Ohman will remain as Chair)

Club Sales chaired by Gale Mattison
The only items being requested at this time are old journals and only the later ones are available. Owners manuals are available.

Breeder Referral chaired by Diane Wagner
Diane had an income of $840 derived from dues paid by members to be on the list. Diane would like to create a venue for written articles for Breeder Referral. A logo has been created for Breeder Referral list members to use. Diane wishes to stay as chair

Electronic Media chaired by Sandy White committee members: Steve Layton (technical advisor), Jackie Faust (Content Editor)
Expenses of the committee were $191.40 for web page hosting by Jumpline, Inc. This year the following were added to the site: an online membership renewal form with “country” added to the Members Only section, three Gazette articles, rescue success stories and pictures, and specialty results. “Sandy would like for members to send her information that needs to be included on the website. Sandy wishes to remain as chair.

Facebook chaired by Sheryl Getman
Facebook is used for a variety of announcements, schedules, results, show information, etc. It seems to be working well. Sheryl would like for TTCA members to report to her any items they see on Facebook that are questionable. Sheryl wishes to remain as chair.

Futurity chaired by Claire Coppola
Claire has been compiling lists of dogs nominated and competing in Futurity events back to 1991. A survey was sent to members during the year. Entries have been falling from 22 in 2010 to 3 in 2015. Valerie Barber has been nominated to judge futurity in 2016. Claire wishes to remain as chair. Claire made a motion that the Alice Murphy Memorial Trophy be retired in 2016 and presented to the breeder of the winning dog and seconded by Betsy Richards. Motion carried. A second motion was made by Claire: that beginning in 2017 the breeder and owner, of Futurity winner will each receive an Alice Murphy memento. TTCA member breeders and owners will each be given a like memento. Seconded by Ron Pankiewicz. Motion carried.

Health and Genetics chaired by Stacey LaForge
Stacey would like to see TTCA/TTHWF become involved with proposals/studies being sought by AKC CHF from researchers involved with Patella Luxation and Oncology, as both are major concerns within the breed. This Year Claire Coppola created the TT Health Survey through OFA. The health pages on the website have been updated and reworked, and now include health articles on the members only health page. Kim Ivie stepped down from the Health Committee as the OFA/CHIC coordinator and questioned whether VOHR should continue as a separate entity as most of the information involved can now be posted on OFA. If it is discontinued, it should come with a strong recommendation that the information is registered on OFA. There is a need for members to share information with each other when they have a dog affected with any genetic disease. The committee is in needs of volunteers for: a health table at the National, someone to monitor and update the health links page. Stacey suggested that TTCA do a health survey every 5 years. Stacey wishes to retire from chair. Stacey will attend the health conference in Missouri in August if a new chair is not found by then.

Historical/Archives chaired by Stacey LaForge
Stacey related the tremendous amount of material that she has and the amount of space that it consumes in her home. David made a motion that the club find a storage facility to move the materials into. Robert Smith seconded and the motion passed. Stacey wishes to retire as chair.
Journal/Yearbook chaired by Betsy Greaves
The 2013 Journal had 300 pages, 417 Journals were sent to members and non-members. 3 Journals were sent to replace Journals members did not receive. A total of 456 Journals were printed. Total cost of the Journals was $5036.77. Betsy Richards will ask Michael McLoughlin to send the 2014 performance statistics to her. Betsy will remain as chair.

International Communications chaired by Janet Slothower
The 2016 World Show, June 23, 24, 25 is in Moscow, Russia. The 2017 World Show will be held in Quito, Ecuador July 9. The World Show held June 11-14, 2015 was held in Milan, Italy. There were 62 Tibetan Terriers competing.

Judges’ Education chaired by Margy Pankiewicz
There was income of $75 from the fees judges paid to attend the Judges’ Seminar at the TTCA National. There were expenses of $16.62. Margy will continue to outreach for new mentors in a wider geographic area and to maintain seminars and articles as requested. Margy worked on articles for AKC and Showsite this year. Margy wishes to remain as chair.

Legislative Liaison chaired by Ron Pankiewicz
The goal of the committee is to continue sending notification of upcoming and/or enacted legislation to the membership. During the year there was an improved timeline of notification to the membership. Ron does not wish to remain as chair. He will continue until a replacement is found and he will work with his replacement.

Membership chaired by Jean Allen
In 2014-2015 there were 13 new members (11 Associate, 1 junior and 1 foreign) there were 2 upgrades to household and 3 upgrades to regular. There were 4 deceased members: Johanna Hannam, Bette Lapoca, Paul Toracinta and Dana Wray. Jean does not wish to remain as chair. Jean suggested Vicki Hawkins replace her as chair. Sheryl Getman moved to appoint Vicki Hawkins as chair of the Membership committee. Gale Mattison seconded the motion. motions carried.

Meet the Breeds chaired by Michael McLoughlin
No Report

Newsletter chaired by Elise Kind. The Newsletter has a cost of approximately $415 per 350. She would like to send newsletters as a blind send to the majority of members. Newsletters were sent in a timely manner. Elise wishes to remain as chair.

National Specialty Show chaired by Gale Mattison and Karen Sponable. Gale and Karen are working on the 2016-2017 National Specialty. Gale will chair this committee but we will need a new treasurer.

2014 TTCA events were: a Supported Entry in Bear Delaware with the Wilmington Kennel Club, A Regional Specialty with Puppy and Veteran Sweepstakes, with the Wilmington Kennel Club, The National Specialty in Loveland Colorado, and a Supported Entry in Waterloo IA. Gail reports that is is difficult to find regional clubs or individuals to host a National Specialty. Progress is being made toward Board participation in hosting National Specialties.

Performance chaired by Linda Milbrath. Linda would like a clarification of her job. Linda would like to remain as chair. Board discussion clarified this as: the Performance Committee would be responsible for putting on the performance portion of a National Specialty.

Rescue chaired by Camille Manfredonia
Over the past year over 69 Tibetan Terriers have been rehomed or are currently in foster care. 25 TT’s have stayed with their current families due to counseling. Including underground adoptions the number rises to upwards of 150 dogs. 7 TTCA breeders were assisted with rehoming efforts, 15 dogs in total. She is currently assisting 2 owners needing temporary help. There were 2 rescues from Canada. Camille has fielded over 900 calls in addition to the other components of the rescue process resulting in 50+ hours each week devoted to rescue. Due to social media, more TT’s are being seen in rescue 2014-2015 has been a record year in donations via social media. There have been several successful fundraising campaigns for specific dogs in need of medical care. We can now post our TT rescues in every state on Petfinder. Her goals are: to finish guidelines for breeders to follow when they have a dog returned or retired and want the dog to go through the TTCA rescue program, to have another contact person besides herself listed on the website. to edit “FAQ, Surrendering Your TT, How to Adopt a TT” (written by Stacey LaForge) portion for the TTCA rescue web page, find a new application and record keeping database, to further develop the rescue network volunteers and to find more behaviorists to evaluate rescues that there are no foster for. She would like to have more volunteers throughout the country and would like to thank all of the members who have volunteered this past year. Camille would like to develop an exit strategy from the chair position.

Gale Mattison added to the Rescue information that Camille has a debit card to use for veterinarian services and other expenses.
Gale moved that the committee reports be accepted as read. Flossie Barczewski seconded and the motion carried.

It was brought to the attention of the board that a new pedigree program is needed as the old one used by Pat Nelson has gone by the wayside. Claire Coppola is looking into this issue. She presented some written information from Whole Dog Database for members to read over.

**The Board recessed until Thursday evening following the Annual Meeting. The Board Meeting was reopened by Ron Pankiewicz following the Annual Meeting at 8:30 PM, May 22, 2015.**

Members were asked to think about a location to hold the 2018 National Specialty. A location needs to be named within 6 months. We have to allow a long lead time in order to hire the judge that we have selected.

Members Education was discussed. We need something for non-show people. This is a group that we need to draw into the National Specialty and to provide activities for.

This year we had a group that planned an activity without consulting the show chair. If they desire to plan an activity next year, they will need to plan with the show chair.

The Pedigree database was briefly touched upon, noting that users do not own the property rights to the database, thus there is no guarantee that the program won't fold up and disappear as the current one has.

David Murray stated he will not seek another term as Director.

Gale Mattison stated he will not seek another term as Treasurer. The Treasurer’s job includes adding members’ information to the website, and collecting dues as well as taking care of the financial books.

The Nominating Committee for this year was selected. Gale Mattison will be the Board representative. Caryl Crouse will be asked to be the chair. Lynne Fardell, Brian Leonard, and Cassandra Basgall are the remaining members.

Alternates are: first alternate Andrea Reiman, second alternate Laurel MacMinn, third alternate Margy Pankiewicz.

David will ask Brian and Lynne to serve, Gale will talk to Caryl and ask her to be chair of the Nominating Committee.

Betsy moved to adjourn the meeting Flossie Barczewski seconded the motion the motion carried.

TTCA AGILITY TRIAL

On May 18, 2015, in conjunction with the TTCA Specialties held later during the week in Boxborough, MA, the Tibetan Terrier Club of America held an agility trial. Trial Secretary was Kathy Rupprecht and Chair was Joyce Lak. The agility trial was held at SureFire Dog Training Center with Christie McNamara as our judge. Standard, Jumps with Weaves, and Time-to-Beat (T2B) classes were offered. We had 16 entries with 34 runs. Entrants came from many states including MA, New Jersey, Delaware, and the faraway states of California, and Wisconsin. In addition to those entered, a good number of people attended to cheer on the competitors – loud applause could be heard as the handlers and their TT’s navigated the courses. We had a very successful raffle drawing which was won by Travis Brock. The judge mentioned several times, this club had the most supporters of all the small specialty trials she has hosted. Everyone pitched in to help with setting up the courses and making the trial run smoothly.

Hotel Reservations
We have arranged to have a number of hotel rooms set aside at the recently renovated Super 8 Motel, 1843 County Road 2, Brockville, Ontario, K6V 5T1. Telephone 613-345-1622 or 1-855-873-6214. Mention the Tibetan Terrier Club of Canada when making a reservation to enjoy a reduced room rate of $109.00 plus tax per night. The pet fee will also be waived for one pet. A one-time pet fee of $15 will apply for more than one pet. Please note that the reduced room rate is available only to reservations made before July 20, 2015, so reserve early.

Please join us for a 'meet and greet' evening on Friday August 21, 2015 in the St. Lawrence room at the Super 8 Motel. Tentative time is 5:00 pm to 8:30 or so. Drop in, visit old and new friends, and pick up your Hospitality gift bag. There will be yummy snacks and beverages as well.

For more information, please visit the TIKO 2015 All-Breed Championship Shows, Rally and Obedience Trial website.
Also check back on our Facebook page for further updates.
Entries can be made online at www.theentryline.com
Merchandise
If you were at the National in Boxborough, you saw some items that were embroidered and/or silk screened with the 2016 National logo and embroidery logo. The excitement over these items was awesome and I’m sorry we didn’t have more items to sell, but you can order them now! You will find the order form in this newsletter or you can go to the TTCA website and view the catalog and print the order form for your purchase. Please direct your questions and send your orders to Eileen Bair, our National Merchandise Chair. Detailed information is on the order form or you can contact Eileen at 717-872-5198 or email her at chesapeakeenterprises@comcast.net.

Trophy Donations
We are soliciting trophy donations and sponsorship for the National. Please contact Trophy Chair, René Stamm, via email at rene@euphoriatt.com to make or discuss your donation. All checks payable to TTCA.

Hotel Reservations
Make your reservation early to ensure you get your preferred room accommodations. Our host hotel is the Sheraton Wilmington South, 365 Airport Road, New Castle, DE 19720. Use this link to make your reservations online: https://www.starwoodmeeting.com/events/start.action?id=14081989876key=33C814BD
You can also call the hotel at 302-328-6200; ask for the Tibetan Terrier Club of America special rate.
Lums Pond Show Site and the Wilmington Kennel Club are both about a 20 minute drive from the hotel. The agility site is about 30 minutes away.

Transportation
Since the 2016 National’s show and performance trials are not being held at the hotel, we are working to address transportation for those that may travel by air but do not have a car. More information to come.

If you move or change email addresses, remember it is your job to go to the roster, in the members only section, and update your information on the TTCA website. Keep those messages and newsletters coming with no delays.

**BIG THANKS!!**
Thank you **Tom Dotson** and **Debbie Lasher** for the candid pictures of the national specialty. Those pictures add so much to the newsletter. It is always fun to see our colleagues and remember the fun we had at our specialties.
