THE TIBETAN TERRIER CLUB OF AMERICA

BREEDER REFERRAL GUIDELINE AGREEMENT FOR 2020

The TTCA maintains a Breeder Referral List to assist the general public in finding a healthy Tibetan Terrier from a responsible member breeder. Being a listed breeder is a privilege, not a right, and participation constitutes your acceptance of, and agreement to be bound by, the rules established by the Breeder Referral Committee and the Tibetan Terrier Club of America Board of directors. Breeder applicants are required to be a member of the TTCA for a minimum of two years and in good standing prior and during their participation in the Breeder Referral List. In addition to adhering to the “Tibetan Terrier Club of America, Inc. Guidelines for Responsible Breeders,” each breeder referred through TTCA Breeder Referral agrees to the following:

1. Breeder will provide a written sales contract containing a statement as to the health of the puppy. The health of the puppy shall be guaranteed for a minimum of 72 hours and made with the understanding that the purchaser’s veterinarian shall check the puppy within 72 hours and if the puppy is unfit for sale, the puppy may be returned for replacement or full refund. Additionally, the written contract should specify how the breeder would honor a refund or replacement that may be necessary due to unforeseen circumstances.

2. No dog or bitch will be bred before the age of two. Breeder will provide copies of hip and current eye examinations of sire and dam, to puppy buyers prior to purchase. In the event that current eye and hip examinations are listed on the CERF, OFA or PennHIP listings, providing a copy of these lists will be sufficient. It shall not be a requirement to have CERF, OFA and PennHIP forms, but breeder must provide proof in writing that hips were x-rayed and evaluated after the age of 2 years (12 months for PennHIP) and eyes have been examined within the last 12 months.

3. Parents of all litters bred by members of the Breeder Referral List shall be DNA tested for NCL and PLL (or “clear by parentage” as per OFA) and their results listed on OFA’s website. No dogs will be bred together that could produce puppies that are “affected”/“genotypically affected” for NCL or “affected/high risk” for PLL.

4. Breeder will provide a written recommendation as to feeding, general care, housebreaking, training, medical care, and grooming.

5. Breeder will be willing to take back a dog at any time in its life. However, if a dog falls into the hands of TTCA RESCUE and breeder is unable to physically take the dog back, breeder may offer support in other ways, i.e., financial or assistance in placement of dog. Breeder understands that failure to assist TTCA RESCUE in placements of his/her breeding shall result in removal for TTCA Breeder Referral List for a period of 12 months.

6. No puppy will be placed in a new home prior to 8 weeks of age.

7. Health records showing dates and types of immunizations and worming shall be provided to all new buyers.

8. Registration papers for the puppy will be supplied to the new owner at the time of the sale, unless otherwise agreed to in writing. Contingencies in sales contract may include but not be limited to proof of spay or neutering and will be signed by the seller and the buyer. Also, a written minimum pedigree of a least 3 generations for the puppy sold will be provided either prior to or at the time of sale.

9. Courteous assistance should be given to potential puppy buyers when these inquiries are received through TTCA Breeder Referral. You are representing TTCA and quality Tibetan Terriers. Educating the serious purchaser will ensure that puppies are placed into homes that will endure.
My signature below affirms my agreement to abide by the above conditions. In addition, by my signature below, I affirm that I am disclosing all information regarding the health clearances for the sires and dams of all litters I have bred or co-bred that were whelped between January 1, 2019 and December 31, 2019.

Please check one: ___ I was not the breeder or co-breeder of any litters whelped 1/1/19 through 12/31/19.

___ I was the breeder/co-breeder of litter(s) whelped 1/1/19 thru 12/31/19 and the requested information on this (these) litter(s) is enclosed.

If you had or have a litter with a sire and/or dam that did not meet the health clearance requirements above (i.e., special circumstances), the age requirements (no dog or bitch will be bred before the age of two) or a breeder utilized a foreign sire and/or dam with foreign health registry clearances, then you may submit a letter to the Breeder Referral Committee requesting an exemption for that particular breeding. Foreign health clearances must still meet or exceed the requirements applied by that particular breeding. Foreign health clearances must still meet or exceed the requirements applied by CERF, OFA or PennHip. The Breeder Referral Committee will have the flexibility to allow you to remain on the Breeder Referral List if they feel the exception is warranted. If the breeder does not agree with the decision of the Breeder Referral Committee, they may request their exception be presented to, and reviewed by, the TTCA Board of Directors. If you are not able to provide the information on the health clearances of the sire/dam and would like to have the Breeder Referral Committee consider an exception due to extenuating circumstances, please enclose a letter explaining why health clearances could not be completed prior to the estimated date of breeding.

Signature(s) __________________________________________________________________________ Date: ______________

Breeder name (Please print) ________________________________________________________________

Kennel Name __________________________________________________________________________

Address ______________________________________________________________________________

City, State, Zip Code _____________________________________________________________________

Contact the Breeder Referral Coordinator, Diane Wagner, 5300 Palm Way, Lake Worth FL 33463
(e-Mail: breederreferral@ttca-online.org or Coatee@aol.com) with any changes to your listing during this year.
You may also wish to contact Diane and let her know when you actually have puppies available.

Applications for 2020 Now Being Accepted

Applications are welcomed all year.

2020 Breeder Referral listing will appear on March 1, 2020. Those 2020 applications approved prior to Feb. 1, 2020 will appear on this list. All others received after Feb. 1, 2020 will be processed and included as soon as possible.

To be added or to remain on the TTCA Breeder Referral Directory: By mail or e-mail send this completed form, using additional sheets if necessary for additional litters, and your check payable to the TTCA in the amount of $35 should be mailed to Committee Chair Diane Wagner, 5300 Palm Way, Lake Worth FL 33463.
