# THE TIBETAN TERRIER CLUB OF AMERICA BREEDER REFERRAL GUIDELINE AGREEMENT 2023

The TTCA maintains a Breeder Referral List to assist the public in finding a healthy Tibetan Terrier from a responsible member breeder. Being a listed breeder is a privilege, not a right, and participation constitutes your acceptance of, and agreement to be bound by, the rules established by the Breeder Referral Committee and the Tibetan Terrier Club of America Board of Directors. Breeder applicants are required to be a member of the TTCA for a minimum of two years and in good standing prior to and during their participation in the Breeder Referral List. In addition to adhering to the "Tibetan Terrier Club of America, Inc. Guidelines for Responsible Breeders," each breeder included on the TTCA Breeder Referral List agrees to the following:

1. Breeder will provide a written sales contract containing a statement as to the health of the puppy. The health of the puppy shall be guaranteed for a minimum of 72 hours and made with the understanding that the purchaser's veterinarian shall check the puppy within 72 hours and if the puppy is unfit for sale, the puppy may be returned for replacement or full refund. Additionally, the written contract should specify how the breeder would honor a refund or replacement that may be necessary due to unforeseen circumstances.
2. No dog or bitch will be bred before the age of two years. Breeder will provide copies of hip and current eye examinations of sire and dam, to puppy buyers prior to purchase. If current eye and hip examinations are listed on the OFA or PennHIP listings, providing a copy of these lists will be sufficient. It shall not be a requirement to have CERF, OFA and PennHIP forms, but breeder must provide proof in writing that hips were x-rayed and evaluated after the age of 2 years (12 months for PennHIP) and eyes have been examined within the last 12 months.
3. Parents of all litters bred by members of the Breeder Referral List shall be DNA tested for NCL and PLL (or "clear by parentage" as per OFA) and their results listed on OFA's website. No dogs will be bred together that could produce puppies that are "affected"/ "genotypically affected" for NCL or "affected/high risk" for PLL.
4. Breeder will provide a written recommendation as to feeding, general care, housebreaking, training, medical care, and grooming.
5. Breeder will be willing to take back a dog at any time in its life. However, if a dog falls into the hands of TTCA RESCUE and breeder is unable to physically take the dog back, breeder may offer support in other ways, i.e., financial or assistance in placement of dog. Breeder understands that failure to assist TTCA RESCUE in placements of his/her breeding shall result in removal for TTCA Breeder Referral List for a period of 12 months.
6. No puppy will be placed in a new home prior to 8 weeks of age.
7. Health records showing dates and types of immunizations and worming shall be provided to all new buyers.
8. Registration papers for the puppy will be supplied to the new owner at the time of the sale, unless otherwise agreed to in writing. Contingencies in sales contract may include but not be limited to proof of spay or neutering and will be signed by the seller and the buyer. Also, a written minimum pedigree of a least 3 generations for the puppy sold will be provided either prior to or at the time of sale.
9. Courteous assistance should be given to potential puppy buyers when these inquiries are received through TTCA Breeder Referral. You are representing TTCA and quality Tibetan Terriers. Educating the serious purchaser will ensure that puppies are placed into homes that will endure.

My signature below affirms my agreement to abide by the above conditions. In addition, by my signature below,

| FOR RENEWALS ONLY | | |
|---|---|---|
| Please check if applicable: | | I was not the breeder/co-breeder of any litters whelped 1/1/22 through 12/31/22. |
| Number of litter/s whelped: | | I was the breeder/co-breeder of litter/s whelped 1/1/22 thru 12/31/22 and the requested information on this/these litter/s is enclosed. |
| I affirm that I am disclosing all information regarding the health clearances for the sires and dams of all litters I have bred or co-bred that were whelped between January 1, 2022 and December 31, 2022. | | |

If you had or have a litter with a sire and/or dam that did not meet the health clearance requirements above (i.e., special circumstances), the age requirements (no dog or bitch will be bred before the age of two) or a breeder utilized a foreign sire and/or dam with foreign health registry clearances, then you may submit a letter to the Breeder Referral Committee requesting an exemption for that particular breeding. Foreign health clearances must still meet or exceed the requirements applied by that particular breeding. Foreign health clearances must still meet or exceed the requirements applied by CERF, OFA or PennHip. The Breeder Referral Review Committee will have the flexibility to allow you to remain on the Breeder Referral List if they feel the exception is warranted. If the breeder does not agree with the decision of the Breeder Referral Review Committee, they may request their exception be presented to, and reviewed by, the TTCA Board of Directors. If you are not able to provide the information on the health clearances of the sire/dam and would like to have the Breeder Referral Review Committee consider an exception due to extenuating circumstances, please enclose a letter explaining why health clearances could not be completed prior to the estimated date of breeding.
